National Playing Formats and Rules

MiniRoos Club Football

UNDER 6 & 7

Playing Formats

The table below summarises the national playing formats for boys and girls aged Under 6 & 7:

The number of players	4-a-side with <u>no</u> goalkeeper Maximum of three substitutes
The field of play	30m x 20m
Goal size	2m wide x 1m high
Ball size	Size 3
Duration of the game	20 min halves Minimum 5 min half-time break
Penalty area	No penalty area required

Goal type

It is preferable that pop-up style portable goals are used where possible however, the use of poles or markers as goals is also suitable.

To comply with Australian Safety Standards, portable goals must be anchored securely to the ground. The use of sandbags or pegs is recommended when using pop-up style portable goals.

For more information on Australian Safety Standards please visit the Product Safety Australia website: www.productsafety.gov.au.

Goalkeeper

There are no goalkeepers in MiniRoos Under 6 & 7.

It is the responsibility of the Game Leader to discourage children from permanently standing in front of the goal.

Ball crossing the touch line

There is no throw in.

A player from the opposing team to the player that touched the ball last before crossing the touch line will place the ball on the touch line and pass or dribble the ball into play. Opponents must be at least 5m away from the ball until it is in play. The ball must touch a team mate before a goal can be scored.

Ball crossing the goal line

There is no corner kick.

Regardless of which team touched the ball last, a player from the team whose goal line the ball has crossed will place the ball anywhere along the goal line and pass or dribble the ball into play. Opponents must retreat to the half way line and can move once the ball is in play. The ball must touch a team mate before a goal can be scored.

Offside

There is no offside rule in MiniRoos Under 6 & 7.

Game Leaders should strongly discourage children from permanently standing in blatant offside positions.

Fouls and misconduct

Indirect free kicks are awarded for all acts of handball or fouls and misconduct. Opponents must be at least 5m away from the ball when the indirect free kick is taken. (An indirect free kick is where a goal can be scored only if the ball subsequently touches another player before it enters the goal).

Most acts of handball or fouls and misconduct at this level are caused by a lack of coordination, with no intent. In this case try and give the advantage to the attacking team and continue play. If you decide a deliberate or serious act of handball, foul or misconduct has occurred, explain to the child they have done the wrong thing and that they should not do this again. Free kicks should be awarded as appropriate.

Match results and points tables

The recording of match results should be conducted for the purpose of assigning teams to appropriate leagues, ensuring the most enjoyable experience for all players.

Under no circumstances will match results be published publicly by Member Federations, Local Associations or local clubs.

Points tables are not applicable in Under 6 & 7 football and do not exist.

Goalkeeper

The goalkeeper is allowed to handle the ball anywhere in the penalty area. To restart play after a save or gathering the ball with their hands, the ball must be thrown or rolled from the hands or played from the ground with their feet, within 6 seconds.

The goalkeeper is not allowed to kick or drop kick the ball directly from their hands. Opponents must be at least 10 metres outside the penalty area and cannot move inside the penalty area until the ball is in play. The ball is in play once it moves out of the penalty area.

An indirect free kick is awarded if the goalkeeper touches the ball with their hands after it has been deliberately kicked to them by a team mate.

Ball crossing the touch line

Throw in.

Player faces the field of play, has part of each foot on the ground either on or behind the touch line, uses both hands and delivers the ball from behind and over his or her head. The thrower must not touch the ball again until it has touched another player. Opponents must be at least 5 metres away from the ball until it is in play.

The ball is in play once it enters the field of play.

A goal cannot be scored directly from a throw in.

Game Leaders should not restart play until they are satisfied all opposition players are at least 10 metres outside the penalty area. The ball is in play once it is kicked directly out of the penalty area.

An indirect free kick is where a goal can be scored only if the ball subsequently touches another player before it enters the goal.

For deliberate or serious acts of handball or fouls and misconduct in the penalty area, a penalty kick is awarded from an 8 metre penalty mark with only a goalkeeper in position. All other players must be outside the penalty area and be at least 5 metres behind the penalty mark.
